1 vol., 12mo. 568 pages. \$1.

"It is believed that there is no other book in our language which presents so good a picture of Spain and the Spandards as this does. The author possesses the necessary qualifications for the production of such a work. The Spandards are a proud of their country and history—proud of their tractions and poetry—proud of their did romances and chivalry—proud of their churches and their religion—and ground of their manners and habits. With such a nation the Attache could ized a deep and sincere sympathy. He was not so materialistic as to be haunted by the ghost of a ten cent piece in the Palace of the Escorial. He saw everything, from the private levee to the public bull-fight; from the moonlight dance of Manolas to the regal balls of the Duchess d'Alva; from the needle-work of the Spanish maiden to the glorious paintings of Titiun, Velasquez and Murillo; and he has put upon paper all that was worthy of record, which came under his notice. But this is not all. He has given as a kind of political history of moders. Spain. His book will make Spanish politics and Spanish partissuship as He has given us a kind of political history of modern Spain. His book will make Spanish politics and Spanish partisanship as familiar to the American reader as the conchology of his own Hards and Spains. The account given of M. Soulé's diplomacy, of his heroism, is not the least interesting chapter in the work; and the description of the Revolution of 1848, and of the dight of Queen Christina and of the San Luis Cabinet is graphic, instructive and interesting."

is evident that the relations of the author at the Spanis were at once delicate and intimate."

A BRILLIANT NOVEL VIRGINA LIFE.

OUR COUSIN VERONICA;
Os, SCENES AND ADVENTURES OVER THE BLUE

BY MISS WORMELEY. or of "Amabel, a Family History." From The Boston Advertiser.

"The first romance of Miss Wormeley was well received. This new story will, we think, be even more popular than its predecessor. "Whoever begins the work will finish it."

From The Boston Atlas.

"He great merits are its fidelity to the realities of the life it depicts, the beauty of its descriptions, the nice exactness with which it delineates the softer shades of character, and its simple, easy elegance of style."

From The Boston Transcript.

'Let us bespeak a hearty welcome for 'Our Cousin Veronics.' It is a neat, authentic, finished and pleasing picture of Virginia life. 'Fine command of language, keen sense of character, thoughtfurness and refinement.

From Harper's Magazine for February.

"As a whole we cannot heeitate to regard this work as possessing superior merit, showing a large and refused culture, a justices of thought, and a home-bred naturalness of feeling which are not always discovered in the popular novels of the

"Suggesting sound truths and awakening good feelings. The

story is well told."

From The Boston Traveller. "The style of the work is sweet, chaste and simple, and withal very attractive. The plot is well devised; the tale is full of interest."

It is impossible to take up this book without being struck by the strong good sense and force of thought which it displays."

From The New-York Daily Times. "Miss Wormeley possesses a very graphic pen, large con structive power, great command over the pathetic in narrative, and a delicate appreciation of character. "She has pro-duced as good an account of Southern life, and exhibited as fine a success of Southern characters as we have yet encountered."

From The Illustrated Newspaper.

We recommend this volume to our readers for its intrinsic iterary excellence, and pronounce it the best and most finished for many a day. We have gone over the pages with critical attention, and teel a pleasure in testifying to the genuine artist-like air that pervades them."

From The New-York Express. We were charmed with the clear and calm beauty of it tyle, and especially with its numerous landscape descriptions

Some of these are quite exquisite."

From The New-York Albion. Cousin Veronica is delightful reading." One vol. 12mo. Price \$1 25.

AMABEL; A FAMILY HISTORY.
